

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers. They filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is overworking in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle by mail.

Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

NEW ASSIGNMENTS.

Christian County Men Get Places in the List.

There was a new assignment in the revenue service at Owensboro last week. Storekeeper-Gaugers from Christian county were placed as follows: K. L. BROKE HIS NECK.

Louisville Boy Accidentally Killed in a Gymnasium.

Louisville, Ky., April 23.—Jesse James, a boy of seventeen, was practicing in a gymnasium last night, being the leader in the class at a vaulting horse. He missed his hold and fell to the floor, breaking his neck. Death was instantaneous.

Constipation

And all symptoms and Results of Indigestion

Absolutely removed by the use of

DR. CARLSTEDT'S GERMAN LIVER POWDER

Money refunded if you are not pleased with results; has cured thousands—why not you?

Mr. E. B. Hackett, a prominent merchant of Morganfield, Ky., was a sufferer for years from constipation and indigestion, and was prevailed upon to try Dr. Carlstedt's German Liver Powder by one whom it had done great good. He gave it a single trial, when he began to feel better at once. Troubled with piles, Mr. Hackett was surprised to find himself cured of this most dreaded of bodily ailments. He is now a well man and does not use any medicine. "If you are afflicted in this manner, give it a trial; it will cost you only 50 cents, and should it not prove as we say the druggist is authorized to refund your money."

NIPPED IN BUD.

Beautiful Scheme to Knock Bush Out of 300 Votes.

Calls of the Committee Were to Be Ignored and Basis of Qualification Changed.

The attempt by the supporters of Judge Cook last Thursday to use the county committee to disfranchise the 300 Democrats of Hopkinsville who did not register in 1902, which happily failed, showed the desperate methods the de-throned leaders of the machine intended to resort to in Judge Cook's interest. The wails of the "official organ" of the machine were pitiful in the extreme. The monstrous position was taken that 300 Democrats in Mr. Bush's own home, the only city in the district requiring registration, should be denied the right to vote, because they failed to register in an off year, although the state call for the primary expressly provides that "all Democrats who for any cause failed to register at the last general registration," should be registered by the election officers upon taking "the oath that they will be legal voters in November 1903" and allowed to vote. This, too, in the face of the district call, promulgated by Mr. Green himself, with not a Bush man on his committee, which reads as follows:

"That at said primary election all those who supported Bryan and Beckham in the November election in 1900, and all others who may express a desire to affiliate with the Democratic party and who will pledge themselves to support the nominees of this primary, and all those who may become of age before the November election in 1903, and who desire to affiliate with the Democratic party and will promise to support the nominees of this primary, be allowed to vote in said primary."

It will be seen that Mr. Green's call expressly makes the 1900 election the basis of qualification and that it goes further and lets not only Democrats, registered or un-registered, but "all others" under certain conditions vote. The scheme was, of course, to let "all others" vote if their votes were needed to save Judge Cook, since Judge Bush did not have a friend on the committee making the call. Now when it is found that not only the Democrats of Christian county are for Bush, but most of the "thers" as well, some new scheme had to be concocted to shut out Bush's friends. Hence the attempt to ignore the state call and change the basis of the district call from 1900 to 1902 without authority and disfranchise 300 Democrats, including some of the committeemen themselves and at least one candidate whose name will be on the ballot, who was out of town last fall.

The law is plain and brief on the subject. Section 1554 of the statutes reads:

"QUALIFICATIONS OF VOTERS. That all persons who are LEGAL VOTERS shall have a right to participate in such primary election, subject to such addition POLITICAL qualifications as may be prescribed by the committee."

mittee paid no attention to it, but fixed its own political qualifications as authorized under Section 1554. This was done because the party affiliation has never been generally stated.

In the precinct in Hopkinsville where Judge Cook's manager resides, only ONE man is registered as affiliating with the Democratic party. His name is the only one that could be copied into the book for that precinct and he is the only man who could vote if this section should be observed, because the committee has no right to use the registration book itself or to copy any names not registered as Democrats. This scheme would therefore have disfranchised not only every Democrat not registered, but every Democrat who thought it unnecessary to state his party affiliation when he registered.

The officers of the primary election are to be guided by the party calls alone, provided of course only voters who will be legal voters in November can be allowed to vote. If the call is illegal, it will be amended before it is sent out by the state committee, but the writer of this was present when it was adopted and it was plainly stated that the call had been prepared to conform to the law and to provide for letting all Democrats vote, whether registered or not registered. Both calls will appear in the Kentuckian before the election, and they speak for themselves.

Saves Two From Death.

Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armond, N. Y., "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had Consumption in an advanced stage, also used this wonderful medicine and to-day she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infalible for Coughs and Colds. 50c and \$1.00 bottles guaranteed by R. C. Hardwick. CONDUCTOR STRICKEN.

Capt. Ed. Wilson Suffers Second Paralytic Stroke.

Capt. Ed. Wilson, conductor on the Elkton and Guthrie railroad, was stricken with paralysis on his train between Elkton and Guthrie. Capt. Wilson left Elkton with his train and was stricken while apparently in usual health. Reports from his bedside say he cannot recover.

Capt. Wilson has been conductor on the E. and G. for about ten years and is popular alike with the public and officials. This is the second time he has been stricken.

Confessions of a Priest.

Rev. Jno. S. Cox, of Wake, Ark., writes, "For 12 years I suffered from Yellow Jaundice. I consulted a number of physicians and tried all sorts of medicines, but got no relief. Then I began the use of Electric Bitters and feel that I am now cured of a disease that had me in its grasp for twelve years." If you want a reliable medicine for Liver and Kidney trouble, stomach disorder or general debility, get Electric Bitters. It's guaranteed by R. C. Hardwick. Only 50c.

To Be Lighted By Gas.

The hotel at Cerulean is to be lighted by gas this summer. Capt. Pool closed a contract Saturday for a machine and an acetylene gas plant which is to be put in at once. He is also putting in a new boiler and will have a much improved system of water works.—Cadiz Record.

THE OLD RELIABLE

SUCCESSFUL INSURANCE MEN

Hopkinsville Has Turned Out Quite a Colony of Them.

News comes of the advancement of Mr. E. T. Campbell, of St. Louis, to the office of vice president of the American Central Fire Insurance Co., of that city. This is one of the highest promotions ever received by a Hopkinsville boy in commercial circles, and if it had not been deserved surely would not have come. Ed, as he is known to his old Hopkinsville associates, got his first insurance training in local circles something over twenty years ago, and though brought up in his father's law office, the late E. P. Campbell, he very early showed a talent for insurance and notwithstanding he had a local agency when he left for law school, he had his business looked after and cared for until his return, when he again took personal charge, which continued until his talents won for him a better place.

About fifteen years ago he was elected assistant secretary of his company, and last week he was made vice-president. It is not doing violence to prophecy to predict that before many years he will be made president, as he is in direct line of promotion and the president is getting well up in years. He is now looked upon as one of the leading financiers of St. Louis. It is most gratifying to see a Hopkinsville boy rise as Ed has risen, and whilenone have gotten quite so high, yet we can point to several who have made quite a success of insurance.

Only a few years ago McClure Kelly was a messenger boy in a local office and now he is at the head of a leading Southwestern department, with headquarters at Houston, Texas, where he has won a place among the most prominent insurance men of the South. "Mack" is yet on the sunny side of 30.

Another Hopkinsville boy who is a credit to this community is Fred Wallis, who gave up a nice salary in a local dry goods store to engage in life insurance on less pay in 1895, and now is General Manager of the Home Life Insurance Co., for Greater New York, with an income of more than ten times the salary he resigned here. His brother, Allan, is also in the East and rising rapidly.

Among the recent promotions of insurance men from here, we are glad to mention Mr. Frank Buckner, who has a fine position as special agent and adjuster of fire losses in Louisiana and Texas, and Mr. H. M. Bryan, who left for Louisville last week to accept special work for the Travellers' Life Insurance Co.

This notice of successful insurance men would be incomplete if it did not take in Mr. J. S. Moore, Special Agent of the Hanover for Kentucky and West Virginia. Few of our boys deserve more credit and if there is a man who has not a good word for "Jack," he must keep mum around these diggings.

The list of successful and prominent insurance men who have gotten their first lessons here is a long one and would compare favorably with any class. Boys, we congratulate you, one and all, and hope there may be more to follow.

Many so-called "bitters" are not medicines, but simply liquids disguised, so as to evade the law. Prickly Ash Bitters is not one of this class. It is strictly a medicine, acting primarily on the kidneys, liver and bowels, and for the dangerous diseases that attack these organs it is a remedy of the first grade. There is nothing objectionable in its taste, it has an agreeable flavor and is acceptable to the most delicate stomach. R. C. Hardwick, special agent.

CHAIRMAN GARY

Elected as the Choice of the County Committee and Not by "Snap Judgment."

The statement in a local paper that "snap judgment" was taken in reorganizing the Democratic county committee was incorrect. Party rules provide that the committee may at pleasure remove one chairman and elect another. It had been about two years since a meeting of the committee with anything like a full attendance had been had. The organization of the party has been neglected and many of the members believed that a chairman who resided in the city and was always where he could be consulted with by the committeemen, could prove more efficient. The meeting Monday was attended by seventeen members in person and six by proxy. There are two or three vacancies and two districts were not represented. Nearly all of the proxies plainly stated that they were to be voted for "the election of officers of the committee" and the appointment of "election officers." The new chairman received the votes of nine members present, three proxies and two not voting. He received a majority of the twenty-three votes represented, a majority of the members present in person and three of the five proxies.

The retiring chairman himself, Mr. Geo. V. Green, ruled that the committee was acting within the law and presided during the taking of the vote by which he was removed.

Mr. Fox in making the motion for removal, stated that the law required a division of officers and that Christian county's candidate for judge had no representative on the district committee and in common fairness he should have at least one friend to guard his interests. The committee, composed largely of Mr. Bush's friends, thought so too and acted accordingly. Some of the members who voted against the new chairman, Mr. Geo. E. Gary, have voluntarily tendered him their support should any attempt be made to resist the will of the committee by the minority. But no such insubordination is expected.

Mr. Gary is one of the oldest members of the committee in point of service, is thoroughly qualified and peculiarly fitted for the chairmanship, is conservative and considerate and belongs to no faction. He will make an excellent chairman and the party's interests will be well guarded while he is in office.

Broke Into His House.

S. Le Quinn of Cavendish, Va., was robbed of his customary health by invasion of Chronic Constipation. When Dr. King's New Life Pills broke into his house, his trouble was arrested and he's entirely cured. They're guaranteed to cure, 25c at R. C. Hardwick's Drug Store.

HEART DISEASE

FOR WOMEN

Much That Every Woman Desires to Know

About Sanative Antiseptic Cleansing

And About Curing Ulcerative Pains and Weaknesses.

Too much stress cannot be placed on the great value of Cuticura Soap, Ointment and Pills in the antiseptic cleansing of the mucous surfaces and of the blood and circulating fluids, thus affording pure, sweet and economical local and constitutional treatment for weakening discharges, ulcerations, inflammations, itching, irritations, relaxations, displacements, pains and irregularities peculiar to females. Hence the Cuticura remedies have a wonderful influence in restoring health, strength and beauty to weary women, who have been prematurely aged and invalided by these distressing ailments, as well as such sympathetic afflictions as anemia, chlorosis, hysteria, nervousness and debility.

Women from the very first have fully appreciated the purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy which have made the Cuticura Soap, Ointment and Pills the standard skin cures and humor remedies of the civilized world.

Millions of the world's best people use Cuticura Soap, assisted by Cuticura Ointment, for preserving, purifying and beautifying the skin, for cleansing the scalp of crusts, scales and dandruff, and the stopping of falling hair, for softening, whitening and soothing red, rough and sore hands, in the form of baths for annoying irritations, inflammations and ulcerative weaknesses, and for many sanative, antiseptic purposes which readily suggest themselves, as well as for all the purposes of the toilet, bath and nursery.
